### Cape Town via Vic Falls to Joburg

24 DAY OVERLAND CAMP. SAFARI

CAPETOWN TO JOHANNESBURG

#### 6 NIGHTS INN 17 NIGHTS CAMPING

From the dynamic city of Cape Town, to the scorched deserts of Namibia and the wildlife sanctuaries of Botswana and Zimbabwe, this tour endeavours to show the highlights of the region. On a journey of contrasts, we will canoe the Orange River, climb giant sand dunes, game drive in some of Africa's best-known parks, and view the mighty Victoria Falls. We cover a great deal of distance on some remote and rough roads, and clients must be prepared for this but the natural wonders that we encounter more than compensate for any discomfort - for those who truly seek adventure.

### DAY 1 - 2 CAPE TOWN B

We all meet at the DRIFTERS CAPE TOWN INN at 13h00 to spend the afternoon exploring and visiting the sights. We have one-and-a-half days here, in which time we will hike Table Mountain, visit Cape Point, the Waterfront, Hout Bay, the Stellenbosch winelands and numerous other sights. Our exact program will be dependent on the weather. Overnight at DRIFTERS INN on the beachfront for the two nights. (Lunches and both evening meals are for your own expense.)

### DAY 3 WEST COAST B D

We leave the Mother City behind us, and after a visit to Blouberg Strand for a last view of Table Mountain from across the bay, then travel north through the "Swartland" and then along the West Coast into Namaqualand. In the early spring this usually barren area comes to life with the blooming of numerous desert adapted flower species. We camp the night.

## DAY 4 - 5 ORANGE RIVER B L D

Today we cross the border into Namibia, then travel the short distance to our base camp on the banks of the Orange River from where we begin our canoe adventure. Once we have packed all of our gear into our two man canoes, we set off into the wilderness. The Orange River creates an awesome spectacle, a green ribbon winding its way through the desert and towering mountains of the Richtersvelt National Park. We will spend one night camping on the banks, under the desert skies, and will then return to our base camp and vehicle to camp the next night in relative comfort.

## DAY 6 FISH RIVER CANYON B L D

Today we head directly to the Fish River Canyon, the second largest of its kind in the world. After visiting the viewpoints and exploring the lip of the Canyon, we set up camp at Hobas.

## DAY 7 - 8 NAMIB DESERT B L D

Leaving the Canyon behind us, we continue north into the true Namib Desert, with its continually shifting barchan dunes and barren landscapes. The next two nights are spent at the DRIFTERS DESERT CAMP situated on our private game reserve. This camp is spectacularly situated against a rock outcrop between the stark mountains and the red dune-lands. During our stay here we will conduct guided walks and drives including a night drive within the reserve.

## DAY 9 SOSSUSVLEI - SWAKOPMUND B L

After an early start, we travel directly to the dune fields of Sossusvlei. The last part of our journey to the dunes will be through the thick sand and for this we use an open 4x4 vehicle. After climbing the dunes for the spectacular view from the summit, we transfer by 4x4 back to our vehicle, and continue on to the seaside town of Swakopmund where we will spend two nights at the DRIFTERS SWAKOPMUND INN. Tonight we enjoy a restaurant meal (own expense)
